Profile

Cyber Security and Cloud Technology are aspects of the IT- industry that thrive me. I'm always looking for new ways to sharpen my skills. I'm punctual and a team player. There is a solution to every problem, just keep your head in the game. A job where I can fully reach my potential is ideal. I've got experience as a student at Colruyt.

Experience

Student – 08/2019 – 08/2023
Colruyt GROUP, Vosselaar

- Operating the cash register
- Store stocking
- Customer support
